Each attendee must pay \$150 per event per person or \$250 per person for the whole event. Admission to the events is strictly limited to those who pay the fee. You will be asked to present your PayPal receipt.

## Payment Instructions

Now it's time to enroll by sending your payment to Gary Mednick. Here's how:

We will be using PayPal exclusively this year. Last year, Gary had to send an email request for money to each person, which was very time consuming and laborious. I'm sure we want to free him to concentrate his efforts on the logistics.

You don't need a PayPal account to send money. Just follow this link and it will take you to the PayPal home page. Select *Send Money*.

[Click Here to enter PayPal](#)

You can pay by bank account or with a credit card. There's a demo button on the page. It will give you an overview as to how it works. It's a very simple, three-step procedure.

Enter Gary Mednick's email address as the recipient's email: [gmednick@hotmail.com](mailto:gmednick@hotmail.com).

Once Gary receives your payment, you will get a confirming email from PayPal

It's that easy.

**Print the email from PayPal and bring it with you to the reunion. It is your receipt as proof of payment.**
